Event Report

Title of the event	World Health Day
Organized Date	7 th April 2025
Name of the coordinator	Ms. Vaishnavi Wagh Ms. Bhagyashri Karle
Name of Participants	Students and Faculty members
Objective of program	<ul style="list-style-type: none">• Raise Awareness: To increase awareness about the importance of accessible healthcare and address global health disparities.• Promote Healthy Lifestyles: To encourage individuals to adopt healthier lifestyle choices that contribute to long-term well-being.• Foster Collaboration: To promote teamwork between students, faculty, and local healthcare professionals to improve community health.• Highlight the Role of Pharmacy: To underscore the vital role that pharmacy professionals play in healthcare delivery and the management of public health.
Outcomes of the program	<ul style="list-style-type: none">• Health Education: World Health Day brings attention to specific health issues, making people more aware of risks and preventive measures. For example, campaigns around issues like mental health, nutrition, or sanitation can result in individuals making healthier choices.• Healthcare Awareness: World Health Day can draw attention to the disparities in healthcare access between different countries or populations. This can lead to improved healthcare policies and initiatives aimed at reducing inequalities.• Behavioral Change: By focusing on issues such as physical activity, diet, and mental well-being, World Health Day motivates individuals to make healthier lifestyle choices.

Report of the Event

On April 7, 2025, Asian institute of Pharmacy College hosted 'World Health Day' celebration, in alignment with the global observance by the World Health Organization (WHO). This year's theme was, **"KEEP YOUR HEART BEATING WITH A HEALTHY NUTRITION FOR BRIGHTER FUTURE"** highlighting the importance of ensuring that everyone, regardless of their background or location, has access to quality healthcare services. The event aimed to educate students, staff, and local community members about health issues, awareness of health and promote healthy living.

Event Overview

The celebration began under the guidance of principal Dr K.R.Dandagvhal with an opening ceremony attended by faculty, staff, students, and local healthcare professionals. The event was marked by various activities and discussion session.

Activities and Programs

The World Health Day celebration began with an informative session led by Dietitian Vishakha Gore, a renowned Mr Lalitkumar Vispute Divisional Head Neuvo care Pharmaceuticals, who delivered a keynote speech on the importance of mental and physical health. The speech emphasized how lifestyle choices impact overall well-being and they provided practical tips on maintaining good health.

Feedback and Evaluation

1. Positive Feedback: The lectures received positive feedback from students and faculty members.
2. Relevance: The topics covered were relevant to the student's interests and career goals.
3. Expertise: The guest speakers were experts in their respective fields, providing valuable insights and knowledge.

Conclusion

The guest seminar was a successful component of the World Health Program, providing students with valuable insights into various aspects of healthcare and wellness. The lectures were engaging, informative, and well-received by the attendees.
